# PERSONALISED PERIODONTAL CARE - THAT'S THE NAME OF THE GAME

SPEAKER

**Dr Christina Cheok**

Periodontist, BDS (Singapore), MDS (Singapore),  
MRD RCS (Edinburgh, UK)

 **12th Nov 2022 (Sat)**  **15:00 - 16:00**  **Haleon Health Partner**

This webinar will discuss the steps taken to formulate a definitive periodontal diagnosis, treatment plan and the 2017 World Workshop Classification on Periodontal and Peri-implant diseases.

A personalised periodontal regimen is important as every patient's susceptibility and rate of progression of periodontal disease defers. How do we (as clinicians) educate our patients accordingly?
