Speaker's Biography

Dr. Jason Ng

Dr Jason Ng has been practising dentistry for over 30 years. In 2011 Dr Ng was recognised as one of New Zealand's top Invisalign Providers and awarded the Platinum Invisalign Provider Status. In 2011, 2012, 2013 & 2014 he was one of New Zealand's top Invisalign providers and one of the top Invisalign teen provider. Dr Ng completed his degree in dentistry in 1989 at Otago University, New Zealand. Having extensively travelled and worked overseas in Asia and Europe, he returned to New Zealand in 1994. Dr Ng now is the lead dentist in a boutique dental practice in Millwater, located an hour's drive north of Auckland City Centre. Dr Ng lectures regularly as an Invisalign and iTero clinical presenter as well as a practice consultant providing clinical and business mentoring. He has also published a number of Clinical White papers about Invisalign treatment.

Dr. Poon Kee Hwang

Dr Poon Kee Hwang received her Orthodontic Masters training on a scholarship at the National University of Singapore in 2006 with dual accreditation from the Royal College of Surgeons Edinburgh. She believes in striving for excellence and worked

hard for her Distinctions and Dean's List awards. After graduating, she trained under Dr Dirk Wiechmann, the creator of the Incognito Lingual Technique and Drs Scuzzo and Takemoto for her Lingual Foundation.

Dr Poon is a Member of the Association of Orthodontics Singapore, the European Society of Orthodontists and also Member of World Fellow of Orthodontists. She is a visiting lecturer at the National University of Singapore.

Dr Poon has been practicing since 2007 and is the Clinical Director of My Braces Clinic in Singapore. Being a Specialist in Orthodontics gives Dr Poon the privilege to do what she loves on a daily basis. Meeting new patients, understanding their desires, and concerns before formulating a plan.
