COMFORT IN EVERY SMILE: PERFECTING PARTIAL DENTURE DESIGN FOR PATIENT SATISFACTION

 **23 May 2024 (Thursday)**  **20:30 - 22:00**

Speaker:

Dr Nusima Mohamed

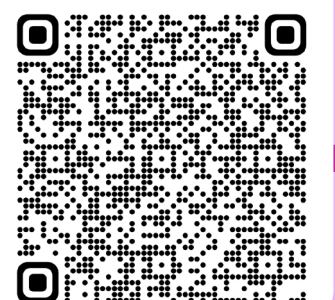

Dr Nusima Mohamed is a prosthodontist and lecturer in the Department of Conservative Dentistry & Prosthodontics, Faculty of Dentistry, Universiti Sains Islam Malaysia (USIM).

The patient always dreamt of a well-fitted denture functioning like natural teeth. Thus, constructing a partial denture may be a cracking head when a patient has high expectations. This webinar will explore the art and science of perfecting partial denture design to prioritize patient comfort and expectation. This session will delve into essential tips and techniques to ensure a seamless fit, optimal functionality, and overall satisfaction for patients seeking partial denture solutions.

A comprehensive understanding of the key elements involved in achieving patient comfort through understanding and moving into the expert partial denture design will be covered too. This session thus elevates your practice and enhances patient satisfaction.
