

DENTAL PROTECTION & SDA
PRESENT 2024 LIVE WEBINAR

CASE DISCUSSIONS

Periodontology

What dentolegal cases arise from the field of Periodontics, either from the provision of treatment (implants, periodontal disease) or as a result of ineffective monitoring?

In this new webinar from Dental Protection, and hosted by the Singapore Dental Association, Case discussions on Periodontology, a panel style discussion will explore:

- Common cases seen in relation to this field
- The consequences and costs that may be involved
- How these risks can be minimised?
- How best can we manage the situation when a poor outcome has occurred?

CPE
Points **2**
Non-Core

Cases to include:

- Allegation of delayed diagnosis and subsequent treatment of Periodontal disease
- Injury caused by placement of implants
- Peri-implantitis

Speaker PROFILES

DR JAMES FOSTER

*Head of Dental Services,
Asia & Australasia
@Dental Protection*

After qualifying from Newcastle Dental School in 1990, James spent sixteen years in general practice where he ran two practices in Northumberland. James has held various roles with the Northern Deanery, including VT Adviser (latterly as a GPT Scheme Adviser), Workforce Adviser, Dental Tutor and a PCD Tutor. He has also worked as a Clinical Supervisor in Prosthodontics at Newcastle Dental Hospital. James obtained a master's degree in Medical Law in 2005 and holds the MFGDP(UK) and a Certificate in Clinical Education. James is also a trained mentor. After joining Dental Protection in 2004 as a local adviser, James was appointed associate dentolegal adviser before becoming a full-time dentolegal adviser in March 2008. He handled cases from several jurisdictions and in 2014 was appointed Head of Dental Services for Australia and New Zealand – a role that now also includes Asia, and the Caribbean and Bermuda.

DR LOUISE EGGLETON

*Dentolegal Consultant
@Dental Protection*

Louise completed her dental degree at Leeds University and gained experience as a General Dental Practitioner in both NHS and private practice for a number of years, prior to moving to the role of Senior Dental Officer within the NHS Foundation Trust, Community Dental Services. She went on to accept the position of Honorary Clinical Lecturer for the University of Sheffield and provided education and supervision to dental students within the student outreach programme. Louise joined Dental Protection as a Dentolegal Consultant, completing an LLM Masters in Medical Law and Ethics. She is part of the Dental International Team, and manages cases in Hong Kong, Singapore and Malaysia.

DR GOH SIEW HOR

*Head of NTUC
Health Denticare*

Dr Goh Siew Hor is presently the Head of NTUC Health Denticare, President of the Singapore Dental Health Foundation and member of St Luke Hospital's Medical Advisory Committee. In 2018, he was awarded the Singapore Patient Advocacy Award for his contributions to dental care in the nursing home and PBM (Covid-19) in 2023.

Speaker PROFILES

MR CHARLES LIN

*Managing Director
@Charles Lin LLC*

Charles heads two teams of lawyers specialized and dedicated to medicolegal defence work at Charles Lin LLC. The firm is also one of two firms in Singapore actively involved in defending Traditional Chinese Medicine Practitioners at disciplinary inquiries and against civil claims. With nearly 30 years of experience under his belt, Charles has been widely regarded in the medicolegal industry for his experience and knowledge. In 2018, Charles was invited by the Law Society of Singapore to provide valued opinion and responses to legislative changes to the High Court and State Courts' Protocol on medicolegal claims.

Charles is one of the very few lawyers in Singapore who has successfully obtained acquittals at Singapore Medical Council Inquiries. He has also been involved in landmark medical cases in the Court of Three Judges of the High Court of Singapore.

Charles is an Advocate & Solicitor of the High Court in Singapore, and a Barrister-at-Law of the Middle Temple. Charles is also a Notary Public and a Commissioner for Oaths accredited by the Singapore Academy of Law. He is an Independent Director of a dental group in China listed on the Stock Exchange of Singapore.

DR ALPHONSUS TAY

Periodontist

Dr Alphonsus Tay, a Periodontist, has been in private practice since 1996. He holds a BDS from NUS, a Master's in Periodontology from the University of London, and a Graduate Diploma in Dental Implantology from NUS. His interests lie in contemporary periodontal and dental implantology techniques. Additionally, he contributes to dental education at NUS by training post-graduate dentists.
